MEMORANDUM FOR: Assistant to the Director

George:

I wish to advise you that the Agency is in the process of taking steps to reduce its subscriptions to the Washington Post. Should you have any inquiries regarding this change, I suggest that you respond by noting that the Agency periodically reviews its subscriptions to different newspapers and periodicals and makes such adjustments as seem necessary in the light of total Agency requirements and economy. Similar adjustments have been made in our subscriptions to newspapers and periodicals in the past, including the Washington Post.
